Applications open annually on Oct. 1 and must be submitted no later than 11:59 PM on July 15, 2022.

Evolve502 is offering a scholarship to all eligible Jefferson County Public Schools graduates. The scholarship will allow eligible students to attend any Kentucky Community & Technical College or Simmons College of Kentucky. The Evolve502 Scholarship may be used to earn an associate degree, workforce credential, or as a pathway to earn a four-year degree.

## About the Evolve502 Scholarship:

As a “last dollar” scholarship, Evolve502 will pay the balance of tuition and mandatory fees after eligible state and federal financial aid is applied. Students may receive scholarship dollars for up to six semesters, the completion of an associate degree, or 60 credit hours; whichever comes first.

Additionally, eligible students with household incomes of \$40,000 or below will receive an Opportunity Grant of \$1,000 per semester (maximum \$2,000) to help defray the total cost of attendance or for unexpected expenses.

## ELIGIBILITY

Beginning with the class of 2021, students who meet the following criteria will be eligible:

- Any student who attended Jefferson County Public Schools (JCPS) since at least the 9th grade and graduated from a JCPS high school
- Students who meet all other eligibility criteria, were enrolled in JCPS since at least the 9th grade, and earned a GED within 12 months of their original high school graduation date.
- Must be a Kentucky resident.

Individuals who enroll in military service no later than 90 days after high school graduation may defer eligibility while in active duty.
